Dear Ms. Barnett:

In compliance with your request we are attaching herewith a map showing the number of water wells serving the City of Aberdeen, Mississippi. You will note there are five (5) wells situated in the corporate limits of the City of Aberdeen and there are five (5) wells situated in the Community of Prairie, west of Aberdeen, that produce water and is transported to the Aberdeen system through a 16 inch transmission main. This information is shown on the attached map. The map shows the location of each well.

Regarding population in Aberdeen, we have estimated the 1985 population to be 7,293. This would be the estimated population contained within the present corporate limits of Aberdeen.

We trust this information will be satisfactory for your needs and if we can be of further assistance, please feel free to call us.

Very truly yours,

Oliver M. Mitchell
